
The **THW Alliance Network** develops a place for learning, networking, and the sharing of best practices among local organizations that are working to strengthen THW services across the Marion-Polk region.

The **Communities of Practice** brings together THW Alliance grant subrecipients and key partners to carry out Future Ready Workforce grant activities and outcomes, ensuring quality practices and community needs are met.

The **Advisory Committee** brings together diverse community partner experience and perspectives to provide strategic direction and quality oversight to strengthen the THW workforce and monitor progress toward the Alliance's goals.
